Staff

It is our company's commitment through the skill and expertise of our staff to continuously provide innovative and effective solutions to our clients.

The planning and training of skilled and motivated employees to every position in the company is vital as well as harnessing their potential to ensure personal satisfaction and their maximum involvement and commitment.

In-house Workshop Facilities

- ⇒ Approx. \$53,000 stock is kept on hand (including approx. 27 tonnes of glass)
- ⇒ In-house machining of glass
- ⇒ Tinting applied to glass if required
- ⇒ Common types of aluminium extrusions and accessories are kept on hand
- ⇒ All standard hardware accessories for doors and windows

Vehicle Fleet

We maintain four fully stocked trade vehicles for our 24-hour glazing service.

- ⇒ One 5-tonne truck for large domestic and commercial work
- ⇒ Two 2-tonne trucks
- ⇒ One 1-tonne utility
- ⇒ One quoting vehicle

Office Resources

Our proprietary software ensures electronic tracking and monitoring of each individual order through the various stages of production and installation. This system is fully integrated on the computer network allowing a smooth transition to invoicing.

Glass Workx (WA) Pty Ltd ... Commitment

We do not pretend to be “all things to all people”, or the “best at everything”. Our goal is to develop long term, mutually beneficial partnerships with companies that require our core product and service offerings.

We realise that every business is different and therefore has unique needs when it comes to glazing. Our directors work closely with our clients to understand the dynamics of their business and develop the right glazing solution to suit their needs.

Points of difference

- ⇒ Our long-term focus on relationships
- ⇒ Use of high quality materials
- ⇒ Commitment to training of staff
- ⇒ Use of evolving technology
